area, we have noted a decided decrease in the intelligence from that field. This is of concern not only to us but also to the Joint Research and Development Board.

[REDACTED]

25X1

Later in conversation with General Vandenberg, I presented this subject and he agreed that the plan of sending somebody to [REDACTED] had merit but that it was not desirable that a man as well known as [REDACTED] be selected. He further felt in view of [REDACTED] that any one sent to that area and in this connection could only be as an emissary of the State Department.
